Headline: Sensei Enterprises Inc. Debuts New *Digital Detectives* Podcast on Legal Talk Network

July 7, 2010 (Fairfax, Virginia) – The first edition of a new monthly podcast entitled *Digital Detectives: Tales From the Trenches* had its debut last Friday on [Legal Talk Network](#). The podcast is sponsored by the global e-discovery firm [Applied Discovery](#) and the podcasters are Sensei principals Sharon D. Nelson, Esq. and John W. Simek. The first podcast takes a look at recent data breaches, data breach notification laws, how to prevent and respond to data breaches and how data breaches may be affected by SaaS/cloud computing.

Sensei President Nelson noted, “We are very grateful to Legal Talk Network and Applied Discovery for the opportunity to present these podcasts. We’ll be covering our favorite subjects, including computer forensics, e-discovery and security. As always, we’ll be candid about our opinions, which are not always mainstream.”

Vice President Simek added, “We’re especially looking forward to our second podcast which will feature nationally renowned computer forensic technologist Craig Ball.”
